Re: *Harold Ford v. WSP USA Inc.*, Case No. 19 Civ. 11705 (LGS) – Unopposed Request
for Adjournment of Hearing and Extension

Dear Judge Schofield:

This matter is set for an initial pretrial conference on April 30, 2020 at 2:15 p.m. [[Dkt. No. 22](#)]. Further, Plaintiff's response to Defendant's letter regarding its planned motion to transfer venue is due on April 27, 2020. Plaintiff requests the Court adjourn the initial pretrial conference and letter response for two weeks so the Parties can continue settlement negotiations. This is Plaintiff's Counsel's first request for an adjournment of the initial conference, and second request for an extension of the response deadline. Plaintiff's Counsel's first request for an extension of the response deadline was granted.

The data necessary for damage calculations has been outsourced to an agreed third-party data entry company. Plaintiff understands this data will be ready next week. The plan is for the Parties to share a damage model and negotiate a settlement in good faith. The two week extension will allow the Parties to focus on these negotiations and further judicial economy. Plaintiff's Counsel conferred with Defendant's Counsel who is unopposed to the requested relief.

Sincerely,

/s/ Dana M. Cimera
